

**Looking for CEU Opportunities? Check out these in-person and virtual options from our manufacturers.**

**[Connect with us](#) to learn more about setting up your CEU!**

**ACUITY ACADEMY FROM ACUITY BRANDS | *Featuring instructor led (in-person and virtual) and on-demand classes!***

- Create an [account](#) to access the full CEU library at Acuity Academy. Opportunities are added throughout the year.

## **INSTRUCTOR LED IN-PERSON CEU OPTIONS**

### **1. LightArt**

- a. [Planet Forward: A Course in Optimized & Net Positive](#) | **1LU for AIA HSW, IDCEC, GBCI**
- b. [Everything is Acoustic](#) | **1LU for AIA HSW, IDCEC, GBCI**

### **2. RBW**

- a. [Functional Lighting Decorative Luminaires](#) | **2 LUs**

### **3. Sternberg Lighting**

- a. [The Smart Approach to Smart Street Lighting](#) | **1 HSW CEU for AIA**

### **4. Inter-lux**

- a. [Integration, Integration, Integration: The three most important aspects of lighting, and how to master them](#) | **3 LUs**

### **5. Isolite**

- a. [Egress Marking & Illumination ISO-1001/ISO-0501/ISO-0502](#) | **1 HSW, 1 LU**
- b. [Inverters: What Are They, How Do They Work, How Do They Impact My Emergency Lighting System](#) | **1 HSW, 1 LU**

- c. [UL924 & UL1008: What you need to know](#) | **1 HSW, 1 LU**
  - d. [Emergency Lighting Cost Comparison](#) | **1 HSW, 1 LU**
- 6. QTL**
- a. [Specifying Linear LED Lighting Systems](#) | **CEU Credits: 1**
  - b. [Specifying Low Voltage LED Systems](#) | **CEU Credits: 1**
  - c. [Sustainability in LED Lighting](#) | **1 HSW**
- 7. Fluxwerx**
- a. [Light + Office: Credit](#) | **1 LU | HSW (AIA | IDCEC)**
  - b. [Light + Education](#) | **1 LU | HSW (AIA | IDCEC | IES)**
  - c. [Light + WELL Building](#) | **1 LU | HSW (AIA | IDCEC | IES)**
  - d. [Rethinking Light, Design + Human Experience](#) | **1 LU | HSW (AIA | IDCEC | IES)**
- 8. Lumenwerx**
- a. [Beyond the Box of Light](#) | **1 LU**
  - b. [Acoustics and Lighting: What is fact or fiction?](#) | **1 LU/HSW**
- 9. ALW**
- a. [Core Lighting Design & Wellness Components for Life Science Buildings](#) | **1.5 LU|HSW**
  - b. [Lighting Design Practices for Life Science Buildings](#) | **1.0 LU|HSW**
  - c. [Lighting & Sustainability Standards for Life Science Buildings](#) | **1.0 LU|HSW**
  - d. [Best Practices for Lighting in Educational Spaces](#) | **1.0 LU|HSW**
- 10. Vode Lighting**
- a. [Deciphering Sustainability: Understanding The Environmental Impact of a Lighting System](#) | **1 LU / HSW**
  - b. [Why BABA/BAA Matters](#) | **1 LU**
  - c. [Ceiling Integration](#) | **1 LU**
- 11. JLC-Tech**
- a. [Managing Influencers of Commercial Lighting Design](#) | **1 LU/CEU**
- 12. A-Light**
- a. [LED Optical Design - Advantages, Opportunities and Challenges](#) | **1 AIA LU | HSW CEU & 1 FBPE PDH**
  - b. [Integration of Acoustic Control in Lighting Fixtures](#) | **1 AIA LU | HSW CEU, 1 FBPE PDH and with IDCEC for 0.1 CEU**
- 13. WakaNINE**
- a. [Decorative Fixtures & the WELL Standard – Who Knew?](#) | **1 HSW**
- 14. New Star Lighting**
- a. [Lighting & Listings](#) | **1 AIA HSW**
- 15. Prudential Lighting**

- a. Interior Ambient Illumination | **1 AIA LU**

#### **16. The Lighting Quotient**

- a. Course 0926: Lighting and the Collaborative Workplace | **1 LU/HSW**
- b. Course 0621: Let's Clear the Air with UV-C | **1 LU/HSW**
- c. Course #30: Plane Lighting-Understanding Our Responses to the Lighting of Architectural Surfaces | **1 LU**

#### **17. Wagner**

- a. Contemporary Railing Systems | **1 LU/HSW**

#### **18. Pa-Co Lighting**

- a. Behavioral Health Essential Lighting Requirements | **1 LU | HSW (AIA | IDCEC)**

#### **19. Innerscene**

- a. Beyond the Surface: Adding Daylight and Depth with Virtual Skylights and Windows | **1 AIA LU/HSW**

#### **20. Cooledge**

- a. A Holistic View of Illumination | **1 AIA LU/HSW**

#### **21. Brownlee Lighting**

- a. Understanding Glare in Lighting Applications | **1LU | HSW**

#### **22. Delta Light Group North America**

- a. Lighting In Architecture / Enlightened Thoughts | **(AIA-1LU/HSW)**
- b. Trends in Lighting Technology | **(AIA-1LU)**
- c. The Basics of Tunable Lighting | **(AIA-1LU/HSW)**
- d. Vision and Color in Lighting | **(AIA-1LU)**
- e. Essential Landscape Lighting | **(AIA-1LU/HSW)**

#### **23. Structura**

- a. Catenary Lighting: Innovative Design in Contemporary Architecture | **1 LU/HSW | LA CE: Professional Development Hour (PDH) 1 hour**

#### **24. BIOS**

- a. Blue Sky Lighting 101 | **1 LU|HSW**
- b. RP-46-25 is here, now what? | **1 LU|HSW**

## **INSTRUCTOR LED VIRTUAL CEU OPTIONS**

#### **25. LightArt**

- a. Planet Forward: A Course in Optimized & Net Positive | **1LU for AIA HSW, IDCEC, GBCI**
- b. Everything is Acoustic | **1LU for AIA HSW, IDCEC, GBC**

#### **26. Sternberg Lighting**

- a. [The Smart Approach to Smart Street Lighting](#) | **1 HSW CEU for AIA**

#### **27. Inter-lux**

- a. [Integration, Integration, Integration: The three most important aspects of lighting, and how to master them](#) | **3 LUs**

#### **28. Isolite**

- a. [Egress Marking & Illumination ISO-1001/ISO-0501/ISO-0502](#) | **1 HSW, 1 LU**
- b. [Inverters: What Are They, How Do They Work, How Do They Impact My Emergency Lighting System](#) | **1 HSW, 1 LU**
- c. [UL924 & UL1008: What you need to know](#) | **1 HSW, 1 LU**
- d. [Emergency Lighting Cost Comparison](#) | **1 HSW, 1 LU**

#### **29. QTL**

- a. [Specifying Linear LED Lighting Systems](#) | **CEU Credits: 1**
- b. [Specifying Low Voltage LED Systems](#) | **CEU Credits: 1**
- c. [Sustainability in LED Lighting](#) | **1 HSW**

#### **30. Fluxwerx**

- a. [Light + Office: Credit](#) | **1 LU | HSW (AIA | IDCEC)**
- b. [Light + Education](#) | **1 LU | HSW (AIA | IDCEC | IES)**
- c. [Light + WELL Building](#) | **1 LU | HSW (AIA | IDCEC | IES)**
- d. [Rethinking Light, Design + Human Experience](#) | **1 LU | HSW (AIA | IDCEC | IES)**

#### **31. Lumenwerx**

- a. [Beyond the Box of Light](#) | **1 LU**
- b. [Acoustics and Lighting: What is fact or fiction?](#) | **1 LU/HSW**

#### **32. ALW**

- a. [Core Lighting Design & Wellness Components for Life Science Buildings](#) | **1.5 LU|HSW**
- b. [Lighting Design Practices for Life Science Buildings](#) | **1.0 LU|HSW**
- c. [Lighting & Sustainability Standards for Life Science Buildings](#) | **1.0 LU|HSW**
- d. [Best Practices for Lighting in Educational Spaces](#) | **1.0 LU|HSW**

#### **33. Vode Lighting**

- a. [Deciphering Sustainability: Understanding The Environmental Impact of a Lighting System](#) | **1 LU / HSW**
- b. [Why BABA/BAA Matters](#) | **1 LU**
- c. [Ceiling Integration](#) | **1 LU**

#### **34. JLC-Tech**

- a. [Managing Influencers of Commercial Lighting Design](#) | **1 LU/CEU**

#### **35. A-Light**

- a. LED Optical Design - Advantages, Opportunities and Challenges | **1 AIA LU | HSW CEU & 1 FBPE PDH**
- b. Integration of Acoustic Control in Lighting Fixtures | **1 AIA LU | HSW CEU, 1 FBPE PDH and with IDCEC for 0.1 CEU**

**36. WakaNINE**

- a. Decorative Fixtures & the WELL Standard – Who Knew? | **1 HSW**

**37. New Star Lighting**

- a. Lighting & Listings | **1 AIA HSW**

**38. Prudential Lighting**

- a. Interior Ambient Illumination | **1 AIA LU**

**39. The Lighting Quotient**

- a. Course 0926: Lighting and the Collaborative Workplace | **1 LU/HSW**
- b. Course 0621: Let's Clear the Air with UV-C | **1 LU/HSW**
- c. Course #30: Plane Lighting-Understanding Our Responses to the Lighting of Architectural Surfaces | **1 LU**

**40. Wagner**

- a. Contemporary Railing Systems | **1 LU/HSW**

**41. Pa-Co Lighting**

- a. Behavioral Health Essential Lighting Requirements | **1 LU | HSW (AIA | IDCEC)**

**42. Innerscene**

- a. Beyond the Surface: Adding Daylight and Depth with Virtual Skylights and Windows | **1 AIA LU/HSW**

**43. Cooledge**

- a. A Holistic View of Illumination | **1 AIA LU/HSW**

**44. Brownlee Lighting**

- a. Understanding Glare in Lighting Applications | **1LU | HSW**

**45. Delta Light Group North America**

- a. Lighting In Architecture / Enlightened Thoughts | **(AIA-1LU/HSW)**
- b. Trends in Lighting Technology | **(AIA-1LU)**
- c. The Basics of Tunable Lighting | **(AIA-1LU/HSW)**
- d. Vision and Color in Lighting | **(AIA-1LU)**
- e. Essential Landscape Lighting | **(AIA-1LU/HSW)**

**46. Structura**

- a. Catenary Lighting: Innovative Design in Contemporary Architecture | **1 LU/HSW | LA CE: Professional Development Hour (PDH) 1 hour**

**47. BIOS**

- a. Blue Sky Lighting 101 | **1 LU|HSW**

- b. [RP-46-25 is here, now what?](#) | **1 LU|HSW**

#### **48. Lumenpulse**

- a. [Accentuating Exterior Architecture with LEDs](#) | **1 LU**

## **SELF-GUIDED ON-DEMAND CEU OPTIONS**

#### **49. Isolite**

- a. [UL924 & UL1008 – What you need to know: ISO-1010-2023](#) | **1 HSW, 1 LU**
- b. [Inverters: ISO-1002-2023](#) | **1 HSW, 1 LU**
- c. [Emergency Lights: ISO-0502-2023](#) | **0.5 HSW – 0.5LU**
- d. [Egress Marking and Illumination: ISO-0501-2023](#) | **0.5 HSW – 0.5LU**

#### **50. WakaNINE**

- a. [Beauty Matters by David Trubridge](#) | **1 LU**
